Let's get Physical!

Physical activity meets fun ball play for an exciting kids activity center! Kids can flex their gross motor skills as they climb, slide, and crawl through the climber playset; and practice fine motor skills as they play with the put-and-take play ball maze. Fill the play ball basin with sand or water for an added level of sensory play!

DESCRIPTION

- Climb the stairs to the platform and go down the slide!
- Crawl space underneath the platform is great for outdoor toy storage or a new place to hide for hide-and-seek games.
- Ball drop wall is an exciting addition to the climber, kids can watch as the balls zig-zag down the maze into the ball pit.
- Use the non-leak drain plug to easily empty the play ball pit when filled with water or sand.
